EARLY COMMUNION REQUIREMENTS

1. Must be 10 years old and in the 5th grade.
2. Parents must be communicant and confirmed members of Christ the King Lutheran Church. Parents must be modeling what their children are going to be taught.
3. To be eligible to enroll in an Early Communion Class, the worship and Bible Class/Sunday School attendance of the parents and children for the six months previous to the class must be 75%.
4. The child who is enrolled must be accompanied by their parents/parent to each class. In cases of divorce, the accompanying parent should be the custodial parent. While it is good for the child to have other Christian role models such as grandparents, relatives and baptismal sponsors, the responsibility to help in the preparation to receive Holy Communion is a parental responsibility. Therefore, the parents of the child are to attend the session with the child.
