

Health Screening Process for Worship Services

Individuals are asked to go through the Health Screening Checklist if:

- You are staff performing job duties during worship services
- You are a volunteer at the church during the worship service

Please ask yourself the questions on the checklist and take your temperature. This should be done upon entering the building on the day of service, once per day.

Also, remember to wipe down the thermometer after use.

Christ The King Lutheran Church

Daily Health Screening Checklist

- Are you or a member of your household awaiting COVID-19 test results, or have you been told to self-isolate?

- Are you currently experiencing or have you experienced in the last 7 days:
 - Fever
 - Cough
 - Shortness of Breath
 - Sore Throat
 - New loss of taste or smell

- Have you taken your temperature today and received a result of higher than 100.4?

If you have answered yes to any of the above questions:

- Please exit the building with a mask while social distancing

- Contact your personal physician for further guidance

- Contact the Business Manager, Stacy Furgerson, 734-285-9695 ext. 220 or stacy@ctk.me for additional follow up.
